

PROTECT MIDDLE EAST L.L.C

QUALITY, ENVIRONMENTAL, HEALTH & SAFETY (QEHS) POLICY

PROTECT MIDDLE EAST L.L.C Top Management considers the Safety and health of people and the protection of environment as the key factor while meeting its strategic objectives to increase the standard level and quality of its supplied products and services in order to satisfy the customer needs in the field of Supply and installation of civil engineering waterproofing, flooring, and construction chemicals.

PROTECT MIDDLE EAST L.L.C is committed to the continual improvement for its environmental, health & safety; and Quality performance and to protect the environment and the associated health and safety of its employees, its customers, its suppliers, and the public. Our objectives are the prevention of pollution, including accidents, injuries and illnesses, and ensuring high quality and reliable products/services.

PROTECT MIDDLE EAST L.L.C is committed to complying with the applicable local and federal regulations, customer requirements and to maintain a safe and pollution-free operating practice that meets Abu Dhabi's EHS Policy and sector regulatory EHS policy.

PROTECT MIDDLE EAST L.L.C Management is committed to the achievement of the above mentioned policy through the achievement of the following QEHS goals:

- Provide and maintain safe and healthy working conditions for all our employees and ensuring their well-being, who are the company's most important asset, as well as a clean environment.
- Providing appropriate QEHS resources, e.g. tools, equipment, operational processes, safe systems of work covering all our activities and reasonably required support to ensure success.
- Establishing a constructive relationship with our customers, suppliers and contractors and enhance their performance as they are important in achieving our QEHS aims. Only through the cooperative effort of all can the best possible QEHS record be achieved.
- Where there are risks to safety, health and environment aspects need to be assessed under specific duties or regulations. We will ensure that our assessments are carried out and that all actions shown to be necessary will be implemented. We plan to minimize the health & safety risks and environmental impacts created by work activities, products and services by organizing ourselves in a way that secures involvement and participation at all levels.
- Appropriate QEHS objectives and targets are established and appropriate management programs are formulated. The progress and effectiveness of the QEHS Management programs are regularly monitored and reviewed so that the Integrated Management System conform to the best practices of our industry and can be continually improved and evaluated with the QEHS indicators.

PROTECT MIDDLE EAST L.L.C communicates this policy to all stakeholders through training and daily management activities, both to ensure their understanding and to ensure that the policy is properly upheld. Our policy is made available to relevant interested parties upon request.

It is the responsibility of personnel from senior management through to all members of **PROTECT MIDDLE EAST L.L.C** to commit themselves fully to the goals of the QEHS Policy, to follow procedures and instructions at all times and to take the necessary precautions and provide appropriate levels of safety to protect themselves, their colleagues, contractors, visitors, company asset and the environment.
